HARI Raya Aidilfitri is fast approaching and for many, the *balik kampung* journey is a time of celebration, self-reflection and appreciation.

Shell will donate one sen for every litre of fuel pumped from today up till June 24 at any Shell station nationwide.

The Shell Raya Charity Campaign 2017 drive will see funds channelled to five selected charitable organisations across the country.

Contributions raised will benefit children under the care of MyKasih Foundation (Kuala Lumpur & Sabah), Bold Association for Children with Special Needs (Penang), Pertubuhan Perkhidmatan Intervensi Awal (Johor Baru), Kelab Balkis (Kelantan), dan Yayasan Kemajuan Insan Sarawak (Sarawak).

The money will be used to support development programmes that will make it possible for children in need to learn and develop new skills.

Shell Malaysia Trading Sdn Bhd and Shell Timur Sdn Bhd managing director Shairan Huzani

Husain said the inspiration behind the annual campaign was their mission to make life journeys better for all Malaysians.

“We want to leave a positive impact in the communities in which we operate.

“We recognise one of the key areas requiring immediate attention is children with needs, so we want to enhance the support programmes currently available to these children through our giving.

“We hope this will inspire others to give back to the community too,” said Shairan.

The Shell Raya Charity Campaign focuses on capacity building for the underprivileged children since its inception two years ago.

Now in its third year, and

thanks to the kindness and generosity of Malaysian motorists, donations to child welfare organisations has enabled these organisations to provide additional educational programmes, renovate facilities and upgrade office equipment.

“We want to encourage, empower and help build the future of underprivileged children.

“To-date, the charity drive has allowed us to impact the lives of more than 4,500 underprivileged children, and this is only possible with the support of fellow Malaysian motorists.

“This year, we invite all Malaysians to join us again in making this initiative bigger and better.

“We hope the simple act of filling up tank will make travelling

home more meaningful, and encourage people to share this charity drive with family and friends,” added Shairan.
